Subject: Condor Environmental, Inc. - Docket No. 2020-275-S - Conference Call

Folks:

What would you all think of having a conference call this Monday, January 4, 2021 at 4 pm on the issues in this Docket? The case presents a number of challenges that need to be addressed sooner rather than later. I have to mention that the Dominion rate case starts Tuesday at the Commission, and it may be difficult for me to find a time after Monday of next week for the conference call for awhile.

If this time and date are acceptable, I will forward a conference number and code to all parties.

Please let me know as soon as possible your availability.

Thanks,
